2017 Annual Sponsorship Program

The Chesapeake Arts Center (CAC) is a vibrant and affordable community-driven arts center providing arts education and literary, visual and performing arts events. CAC programs are offered through its theater, black box studio, art gallery, two dance studios, six classrooms and a large ceramic & clay studio featuring one of the largest kilns in Maryland. The CAC has nearly 70,000 visits annually through performances, three semesters of classes, gallery exhibits and free after school programs.

The Chesapeake Arts Center offers unique opportunities to bring art, people and your company together.
